Bollywood star Janhvi Kapoor has once again proven that timeless beauty begins at home. Fresh from her stunning appearance at Cannes 2025, the actress revealed her all-natural skincare secret—a DIY beauty routine with simple kitchen ingredients, a tradition lovingly passed down by her late mother, Sridevi.

In an interview with *Khush* magazine, Janhvi shared the step-by-step regimen she swears by to get a radiant glow before red carpets, film shoots, or big events.

? Step-by-Step: Janhvi Kapoor's DIY Skincare Routine

- **Fresh Start:** Washes face with plain water to clear impurities.
- **Steam:** Leans over a bowl of warm water with a towel for 3 minutes to open pores.
- **Fruit Face Mask:** Mixes **curd, honey, and mashed banana** for a moisturizing and refreshing mask.
- **Citrus Glow:** Rubs half an orange gently on her face for a brightening, anti-tan effect.
- **Almond Oil Relaxation:** Pats almond oil under her eyes for a soothing finish.
- **Sun Protection:** Seals the routine with a generous layer of sunscreen.

The actress recalled fun memories with her sister **Khushi Kapoor**, when their vacations often turned into fruity skincare experiments, leaving their bathroom in playful chaos.

For Janhvi, this routine is not just about beauty but also about **emotional connection**. “These tips remind me of mom. She always believed the best skincare is found in your kitchen,” she said, remembering the late Sridevi’s timeless glow. This easy-to-follow regimen proves that you don’t always need luxury beauty products for healthy skin. With just a few natural ingredients like **curd, honey, fruits, and almond oil**, anyone can achieve that **Janhvi Kapoor glow**.
