Fashion Trend Alert — Move over neutrals, because **polka dots are back**, and none other than **Hailey Bieber** is leading the revival. The model and beauty entrepreneur recently set Instagram abuzz when she flaunted the playful print in her latest photo dump — reminding us why dots never truly go out of style.

A Print with History

The dotted pattern first entered mainstream fashion as far back as **1857**, when *Godey's Lady's Book* mentioned the term 'polka dot.' With the Industrial Revolution making circular motifs easier to sew, the trend soon became a wardrobe staple. In **1926**, Miss America winner **Norma Smallwood** made headlines with a polka dot swimsuit, while **Minnie Mouse's 1940s makeover** cemented the playful dots into pop culture forever.

Hollywood & Royalty Love Polka Dots

Over the decades, Hollywood stars have embraced polka dots with flair. From **Julia Roberts' unforgettable brown dress in *Pretty Woman*** to **Britney Spears' flirty dotted swimsuits**, the print has been a favorite red-carpet and off-duty choice.

Even **royalty couldn't resist** — **Princess Diana's polka dot Ascot look in 1988** became iconic, later reinterpreted by **Kate Middleton** in a Victor Edelstein outfit, complete with matching hat and pearls.

Bollywood's Affair with Dots

Back home, Bollywood too has had a long-standing affair with polka dots. From the **retro glam of the 70s and 80s** to **new-age stars experimenting with playful versions**, the print has effortlessly bridged generations.

How to Style Polka Dots Today

- **Go Bold:** Oversized dots on dresses or jumpsuits for a striking retro statement.
- **Keep It Chic:** Tiny dots on sheer tops, skirts, or blouses for subtle sophistication.
- **Mix & Match:** Pair polka dots with stripes or florals for a modern, edgy vibe.
- **Accessorize:** Polka dot scarves, bags, or heels add a playful touch without overpowering.
