Dakota Fanning Dazzles in a Gold Leather Suit at Chanel's Fall/Winter 2025 Show in Paris

Paris, August 2025 – Actress **Dakota Fanning** turned heads at **Chanel's fall/winter 2025 show** at the iconic **Grand Palais**, marking her first time attending the fashion house's presentation in Paris. The moment felt surreal for the *Perfect Couple* star, who described it as *"a pinch-me dream come true."*

? The Look: Golden Glam with a Chanel Twist

Fanning embraced a bold departure from her usually understated red-carpet style, wearing a **gold crumpled leather suit** from Chanel's **Métiers d'art 2024/25 collection**.

- **The Jacket** – Crumpled gold leather with delicate **floral pocket detailing**, offering a chic yet playful touch.
- **The Pants** – Matching metallic trousers that carried the statement look effortlessly.
- **Accessories** – A **metal and strass belt with bow details**, **18k yellow gold Coco Crush earrings**, a **Chanel handbag**, and **gold platform heels with black cap toes**, which she revealed were surprisingly comfortable.

"The suit was a little bit of a moment and on the louder side, so I just kept my hair and makeup very clean and simple and easy," Fanning explained, balancing out the high-impact outfit with understated glam.

? Why Dakota Took the Risk

Known for her classic, feminine style, Fanning admitted she wanted to *"push it a little bit"* for Paris Fashion Week. *"You're at the Chanel show, so you can take a little bit of a risk and do something a little different than you would normally,"* she said, describing the look as *"a ray of sunshine."*

? Chanel's Playful Spirit

Beyond her own ensemble, Fanning gushed about the **bow-shaped bags in different fabrics and sizes** that debuted on the runway. *"It was very classic Chanel, but very playful. I'm such a girly girl at heart. My soul is very feminine,"* she added.

Attending with her best friend, Fanning called the show the **highlight of their Paris trip**, cementing the moment as one of her most memorable fashion experiences yet.
