Fashion Faceoff: Janhvi Kapoor & Sharvari Wagh Declare The End Of Summer With Floral Midis

Summer may be on its way out, but Bollywood stars are making sure it leaves in style. Two of Gen Z's most fashionable actresses, **Janhvi Kapoor** and **Sharvari Wagh**, were spotted serving floral midi looks that screamed sunshine, brunches, and carefree days.

Janhvi Kapoor's Romantic Midi

On a promotional spree for her upcoming film *Param Sundari* with Sidharth Malhotra, Janhvi Kapoor slipped into a floral midi that could be straight out of a Tuscan getaway.

- **Details:** Delicate straps, a flattering bodice, and a pastel canvas splashed with tangerine, pink, and yellow florals.
- **Why We Love It:** The playful tie-up detail at the back adds to its feminine charm.
- **Vibe Check:** Effortless, versatile, and perfect for brunches, movie dates, or even summer weddings.

And let's not forget, co-star Sidharth Malhotra matched her energy with dapper promotional looks, proving he's no less a style star.

Sharvari Wagh's Comfy Chic

Sharvari, meanwhile, kept things breezy with a **wrap-around red-and-white ruffled midi**.

- **Details:** Cinched at the waist, slightly longer at the back, and light enough to allow maximum movement.
 - **Footwear Swap:** Instead of heels, she opted for the season's hottest shoe trend — **Mary Janes**, giving her look a comfy twist.
 - **Vibe Check:** Casual, girl-next-door, and perfect for days when comfort trumps couture.

Who Wore It Better?

Both actresses nailed the floral midi trend, but they styled it in completely different directions:

- **Janhvi’s look** leaned into romance, versatility, and that high-fashion editorial vibe.
- **Sharvari’s look** was relaxed, playful, and made for everyday wear.

While both midis deserve space in your wardrobe, **Janhvi’s pick scores higher on versatility** — a dress that can take you from brunch to a beach vacation without missing a beat.
