

## Oprah Picks Respond: Brochu Walker's Bestselling Sweater Hits the Labor Day Sale Rack

Published on 29 Aug 2025 | By IFI Correspondent

The wait is over for fans of elevated essentials—**Brochu Walker**, the luxury label favored by celebrities and sophistication lovers, is offering a rare **Labor Day sale** featuring up to **30 % off** on some of its most coveted items.

For those keeping tabs on Oprah's style favorites, this is a golden opportunity. Included in the sale is the **Looker Layered V-Neck sweater**—a plush wool-cashmere blend that Oprah named her “go-to look” on her 2024 *Favorite Things* list. The layered design creates a polished, effortless aesthetic that pairs beautifully with tailored trousers or denim, making it a versatile staple.

Celebrities beyond Oprah also adore this brand. Meghan Markle regularly showcases Brochu Walker in her “With Love, Meghan” shop, and stylist Jamie Mizrahi has highlighted pieces like the **Kate Belted Dress**. Right now, that dress—notoriously chic—is marked down by nearly \$100, offering a rare entry point into refined fashion.

Here's what else to watch:

- The **Rhone Relaxed Funnel Cashmere Sweater**, known for its cozy neckline and plush feel.
- A **cropped cardigan** in soft knits—ideal for layering with everything from skirts to tailored suiting.
- The **Galey Blouse**, a crisp white option with timeless appeal that fits effortlessly in any wardrobe.
- The **Dune Basket Bag**, offering a breezy, refined touch for everything from weekend getaways to city excursions.
- The **Georgie Long Sleeve Tee**, with a luxe modal-cashmere blend that feels anything but basic.
- The **Emme V-Neck Sweater**, delivering both simplicity and elegance—and now available with a savings exceeding \$100.

What makes this sale especially meaningful is how rare Brochu Walker discounts are—not only is the brand a go-to for editorial closets, but its pieces also carry a timeless design ethos focused on craftsmanship and understated elegance. It's fashion that bridges everyday wear with intentional refinement.

If you've been waiting to invest in elevated wardrobe staples, this Labor Day sale is a smart moment to act. Expect limited inventory—once these styles sell out, discounts may not return for some time.

Brochu Walker's Labor Day event brings designer-worthy savings to fans of quiet luxury and classic design. Oprah's favorite is back in reach, and there's no better time to build a wardrobe with meaning.
