Nelly Furtado Rocks a Cutout Top & Distressed Miniskirt with Y2K Flair

At the 2025 Big Feastival in the UK, pop icon **Nelly Furtado** took the stage in a look that seamlessly blended retro nostalgia with modern empowerment. Her outfit—featuring a bold **cutout top layered over white and a distressed denim miniskirt**—struck a chord with both fashion lovers and fans of authentic self-expression.

Styled by Phil Gomez, the outfit layered a distressed denim bra over a sleek white cutout underlayer, all topped with a structured **pinstriped trench coat**. The ensemble's accessories added flair: a chunky **“Whoa Nelly!” belt** (a cheeky nod to her debut), knee-high boots, a silver choker, hoop earrings, and ribbon-detailed hair. The result? A look that was both nostalgic and forward-facing.

Why the Look Matters

Y2K Vibes Reimagined

Furtado's style echoed early-2000s pop culture through her cutout layering, distressed denim, and bold accessories—an intentional nod to her own heyday while embracing modern evolution.

Fashion as Personal Statement

This wasn't just about aesthetics. Nelly has actively promoted body positivity, previously shutting down cosmetic rumors while encouraging fans to embrace body neutrality. Her dynamic style reflects her journey toward self-love and confidence.

Designer Collaboration with Edge

The Stella Xingyi set paired with a Samuel Gärtner coat elevated streetwear to couture territory—offering both attitude and artistry suitable for a high-energy festival performance.

Nelly Furtado's cutout top and distressed miniskirt came with more than just visual impact—it conveyed her evolution, confidence, and willingness to reclaim her narrative. By merging retro references with personal resilience, she reminded

fans that fashion isn't just about trends—it's storytelling through style.
