Published on 30 Aug 2025 | By IFI Correspondent

Bollywood's trendsetter **Nikita Dutta** celebrated the festive season in a look that turned heads—and for good reason. Draped in a **daring red saree** with sleek, contemporary twists, she served warmth, elegance, and unapologetic festive energy, all wrapped into one unforgettable style moment.

A Saree with a Twist

Her saree, in shimmering crimson, was worn traditionally yet styled with modern sensibility. The fabric draped over her shoulder revealed a contrasting cut-out blouse that added a bold element to the classic drape. The clean lines and strategic skin reveal made this ensemble feel like a statement rather than just an outfit.

Fashionably Detailed

Adding glamour and edge, Nikita paired the saree with oversized gold hoop earrings and a chunky statement ring to keep the focus on her ensemble. Her hair was styled in loose waves with soft tension, letting the saree's bold hue and her natural charisma shine through. Her makeup was striking—glowing skin, bold eyeliner framing sharp eyes, and a deep red matte lip completing the festive allure.
