

Kalyani Priyadarshan Owns Casual Power Dressing in Black Suit

Published on 09 Sep 2025 | By IFI Correspondent

Actress **Kalyani Priyadarshan** struck a compelling mix of authority and artistry with her stylish ensemble at the Meta Festival India in Bengaluru, where she spoke about cultivating positivity on social media platforms. Her outfit—a tailored black suit ennobled by 3D appliqué—has since become the talk of the town among fashion aficionados.

Casual Power Dressing, Redefined

Kalyani embraced a crisp black blazer with structured, padded shoulders paired effortlessly with loose-fitting black trousers. Simple yet striking, this combination radiated confidence. Yet, it was the blazer's standout detail—the blooming white dandelion 3D appliqué—that elevated the look, lending an artistic, feminine dimension to a traditionally formal silhouette.

She completed the outfit with open-toed heels, minimal makeup, and softly waved hair—a refreshing departure from the typical sleek updos that often accompany suits. The overall effect was approachable but commanding—proof that power dressing can be both polished and playful.

Style Takeaways You Can Adopt

Kalyani's fashion choices present practical inspiration for updating traditional power dressing with personal flair:

- **Choose Artful Details:** Incorporate pieces with applique, embroidery, tassels, or mirrorwork to soften sharp tailoring.
- **Embrace Dimension:** 3D embellishments add lithe movement and texture—perfect for drawing the eye and infusing femininity.
- **Contrast with Hairstyling:** Romantically tousled waves offer a compelling contrast to stiff tailoring, giving the look a softer edge.
- **Keep Makeup Subtle:** Let the outfit shine by pairing bold sartorial choices with understated beauty.

The takeaway: You don't have to forgo professionalism for personality—there's strength in elegance.

Beyond the Ensemble

While her outfit made headlines, the Tamil, Telugu, and Malayalam actress continues to make waves on screen. Her recent release, *Lokah: Chapter 1 – Chandra*, has been critically acclaimed, cementing her status as a rising star in Indian cinema. Her upcoming projects include **Genie** (October release) and **Vaan** (set for November), where she

reunites with Dulquer Salmaan after *Lokah*.
