 - High-shimmer finish without sticky texture
 - Infused with vitamin E, shea butter, and squalane for nourishment
 - Adds warmth and luminosity suitable for all skin tones

Combined, these products offer a versatile, long-lasting nude lip ideal for day or night occasions.

Step-by-Step Tips to Recreate Rihanna's Look

Step 1: Prep Your Lips

- Exfoliate gently to remove dead skin cells.
- Apply a lightweight lip balm for hydration and a smooth canvas.

Step 2: Outline with Lip Liner

- Use the **Trace'd Out Pencil** to carefully define your lips.

- Start from the center of the upper lip and follow your natural lip line outward.
- For fuller-looking lips, slightly overline the cupid's bow and corners.

Step 3: Fill in the Lips

- Use the same lip liner to lightly fill in the entire lip area for a base that ensures longevity.

Step 4: Apply the Gloss

- Swipe the **Gloss Bomb Stix in “Fu\$\$y”** over the lips.
- Apply evenly for a high-shimmer effect, adding a touch to the center of the lips for a plump look.

Step 5: Blot & Touch-Up

- Blot lightly with a tissue to remove excess gloss.
- Touch up edges with a small brush for a clean finish
