

Kajol & Twinkle Khanna Shine in Monochrome at Talk Show

Published on 17 Sep 2025 | By IFI Correspondent

Kajol and Twinkle Khanna appeared together at their talk show trailer launch. They both chose monochrome outfits, and thus made a striking statement. While classic colours usually feel safe, their looks were far from ordinary. Therefore, style watchers paid attention to every detail, especially necklines.

Hence, their monochrome looks felt coordinated yet distinct in silhouette.

Kajol's Look: Clean, Structured, Statement Neckline

Kajol wore a body-hugging black gown by Gaurav Gupta. The gown featured a square neckline that highlighted her collarbones and shoulders.

Also, knot draping at the waist added texture and visual interest.

She skipped heavy jewellery; instead she chose only a single ear cuff.

Thus, her neckline and gown structure remained uncluttered and powerful.

Twinkle's Look: Contrast, Cut-outs, Structured Tailoring

Twinkle Khanna opted for both black and white pieces together. She wore a white shirt with a cut-out heart neckline, adding playfulness.

Over it she layered a long black vest that contrasted sharply. Her trousers were tailored, and featured miniature slits at hems.

Unlike Kajol, she styled her hair open in soft waves.

Neckline Focus: What Stood Out

Both women made necklines the centrepiece of their looks. Twinkle's heart cut-out brought charm and fun, softening her formal pieces.

Thus, contrast in necklines helped each outfit tell a separate story.

Style Takeaways: Lessons for Evening Wear

First, minimal accessories highlight the outfit's design, especially necklines. Second, structured tailoring plus playful cut-outs keeps formal wear fresh. Third, monochrome colour schemes enhance sophistication when executed well.

Fourth, hair styling should complement outfit tone: sleek for drama, waves for ease.
