Miss Universe 2021 Harnaaz Sandhu recently starred in a bridal photoshoot. She wore elegant lehengas crafted by Rimple and Harpreet.

Because they drew inspiration from Hindu goddesses, her looks felt both spiritual and luxurious. Meanwhile, fans celebrated the rich craftsmanship.

The collection is by designer duo Rimple & Harpreet Narula. They unveiled it via Instagram on September 13. Also, they said their designs were inspired by goddesses Lakshmi, Parvati, and Sarasvati. Hence, shades like cream, pink, red dominate, and motifs shine in devotional reverence.

Lehengas & Embellishments

Each lehenga features heavy zardozi work and delicate detailing. Additionally, gold and silver embroidery enhance the grandeur. Also, fabrics like silk, net, and tulle add texture and volume.

Thus, the pieces look fit for grand weddings; they also reflect Rimple & Harpreet's signature ornate style.

Makeup, Styling & Traditional Touches

Also, she wore a rich red bindi, which balanced bold make-up and bridal symbolism. Her lip shade was glossy peach, complementing both skin and ensemble.

Moreover, the bindi and makeup added both cultural depth and visual drama.

The campaign pictures evoke divine femininity through colour and posture. Lehengas in cream feel serene; pinks look romantic; reds symbolize passion and festivity.

Also, Harnaaz's poses and lighting enhance the dreamy aesthetic. Soft glow, flowing skirts, and regal poses feel cinematic. Meanwhile, the backdrop and draping reflect heritage and opulence. Thus, this bridal shoot adds another dimension to her career: fashion ambassador, style muse, and actor.

Audience & Fashion Impact

Fans responded with admiration for both the designs and Harnaaz's portrayal. Many praised how each colour and motif felt symbolic yet wearable. Meanwhile, others noted the craftsmanship and detail were exceptional.

Also, the shoot reinforces Rimple & Harpreet's reputation in bridal couture. Furthermore, it may influence upcoming bridal trends—especially pastel tones mixed with traditional reds.
