

Taapsee Pannu Sizzles in Black Bodycon Dress

Published on 17 Sep 2025 | By IFI Correspondent

Taapsee Pannu recently wore a strapless black bodycon dress featuring a plunging neckline and lace detailing, impressing fans immediately.

Moreover, the fitted silhouette accentuated her curves, creating a perfect balance of sultriness and chic elegance simultaneously.

In addition, she paired the dress with sleek black stilettos, which enhanced the outfit's bold appeal and modern glamour.

Minimalist Accessories and Glam Makeup

Opting for minimal accessories, Taapsee chose delicate hoop earrings and bold statement rings. Her makeup featured dark maroon lips, bold brows, and highlighted cheekbones, creating a glowing, red-carpet-ready look. This styling complemented her bold fashion persona effortlessly.

Voluminous Curls

Taapsee styled her hair in voluminous curls, partially tied back to create a bold yet playful touch.

Furthermore, the hairstyle framed her face perfectly, drawing attention to her expressions and the detailed outfit simultaneously.

This styling choice added cinematic flair, making her photos appear as if lifted from a high-fashion magazine spread.

Viral Poses and Social Media Buzz

Taapsee's fierce and sultry poses quickly went viral across Instagram and Twitter. Fans flooded social media with praise, admiring her confidence and style. Her latest look has become a hot topic, showcasing her as a true fashion risk-taker.
