

Stars Align at ‘Him’ Premiere: Tyriq Withers, Julia Fox & Marlon Wayans

Published on 18 Sep 2025 | By IFI Correspondent

Tyriq Withers, Julia Fox, and Marlon Wayans turned heads Monday night. Meanwhile, Hollywood buzzed with anticipation as the premiere of *Him* took place. They posed under flashes, surrounded by fans and media alike. Their style choices mixed elegance, edge, and pure star energy.

Tyriq Withers: Rising Confidence

Withers wore a tailored ensemble that balanced sleek formal with modern flair. He chose monochrome tones that accentuated his frame and posture. Additionally, subtle accessories added shine without overwhelming the look. Because this is his breakout role, confidence showed in every step.

Julia Fox: Edgy Glamour

Julia Fox combined daring cuts with classic textures. Her outfit featured bold elements, yet it retained high Hollywood polish.

She wore statement jewellery that caught every flash of light.

Furthermore, her makeup added drama with smoky eyes and defined brows.

Marlon Wayans: Veteran Presence

Marlon Wayans entered styled in timeless formalwear. Yet, he added personal touches that revealed his character's tone.

His look served as anchor amidst the youthful energy around him. With poise, he displayed a mix of star experience and creative grit. *Him* releases in United States theaters on September 19, 2025. Audiences will see whether performances match the hype from premiere night.

Fashion observers will note how cast style influences future Hollywood premieres.
