Published on 20 Sep 2025 | By IFI Correspondent

Janhvi Kapoor surprised everyone. Instead of her usual contemporary or ethnic looks, she embraced a rustic cowgirl theme. She chose a strapless brown corset top. Moreover, it included detailed lace-ups down the front. Immediately, the piece drew attention to her sculpted frame. Then, she paired it with ultra-short metallic snakeskin-print shorts. Altogether, the outfit felt daring and edgy.

Cowboy Meets Couture

First, the earthy brown corset gave structure. Next, the snakeskin shorts added contrast and bold texture. After that, pointy cream-toned cowboy boots elongated her silhouette. Also, the mix of soft curves and sharp edges struck a strong balance. Thus, the style seemed both wild and refined. Finally, the accessories—chunky bracelets—added glam without overwhelming.

Hair, Makeup, and Vibe

Her makeup amplified the cowboy edge. With smoky eyes and glossy lips, the look stayed polished. Meanwhile, her skin glowed. Her hair featured long waves with a centre parting. Those waves softened the harshness of the western elements. All in all, beauty and style blended effortlessly.

Context and Reaction

This outfit comes from behind the scenes (BTS) of one of her upcoming projects. Hence, fans got a glimpse of this unexpected style move. Then, viewers flooded social media with comments and reposts. Clearly, people are loving the fusion. Indeed, she may inspire more to experiment with such bold cross-genre stylings.

What Makes the Look Work

Because she mixed elements smartly. The corset gave structure. The shorts offered texture. The boots set the cowboy tone. Yet she didn't overdo accessories. Also, her hair and makeup played complementary roles. As a result, the entire ensemble felt adventurous, but never chaotic.

Inspiration for Your Wardrobe

Want to try something similar? Start with a corset top. Pick earthy tones if you prefer less flash. Add standout bottom pieces—snakeskin prints or metallics. Then choose statement footwear—pointed boots help. Keep accessories minimal but bold. Also, balance your hair and makeup—maybe smoky eyes, glossy lips, natural waves. Because contrast adds drama, but moderation keeps it wearable.

Janhvi Kapoor has always been a trendsetter. Yet this look pushes comfort zones. In blending Western cowboy aesthetics with structured couture, she challenges norms. Furthermore, Gen Z loves boundary-crossing fashion. Consequently, this style feels timely. Meanwhile, social media buzz reflects people’s excitement. All things considered, this reinterpretation of corset fashion makes a statement.
