### Julia Fox Dazzles in Polka-Dotted Corset Dress at ‘Him’ Premiere with Son Valentino

**Los Angeles, September 2025** – Never one to shy away from a bold style statement, **Julia Fox** stole the spotlight at the red carpet premiere of *Him* last night, stepping out in a **striking black-and-white polka-dotted ensemble** by LA-based designer **Erik Charlotte**.

The 35-year-old actress wowed in a **bust-baring corset paired with a gathered pencil skirt**, topped with a flamboyant hat adorned with a playful **pink ostrich feather**. Knee-high black stockings, cap-toe pumps, and a dramatic padded bustle completed the high-fashion look—blending vintage glamour with contemporary audacity.

Her beauty look was equally striking: **pencil-thin brows, glittery doe eyes, and pouty pink lips**, all offset by chocolate brown ringlets styled in **romantic Regency-inspired waves**, contrasting with the sleeker looks of her Hollywood peers.

Fox was joined by her 4-year-old son **Valentino**, who matched the evening's playful spirit in a **football-inspired outfit**—a nod to the film's sports-centric storyline.

Known for her fearless approach to fashion, Fox has long embraced boundary-pushing aesthetics, from daring streetwear to avant-garde couture. The *Him* premiere once again proved why she remains one of the industry's most unpredictable—and talked-about—style figures.
