

Nita Ambani's \$100 Billion Necklace: A Dazzling Statement

Published on 20 Sep 2025 | By IFI Correspondent

At the premiere of *The Ba**ds of Bollywood**, Nita Ambani captivated attendees with a necklace that left everyone in awe. Jewellery influencer Julia Chafe took to Instagram to discuss the piece, highlighting its unparalleled design and value.

The Necklace: A Masterpiece of Design

Nita Ambani's necklace featured:

- **Paraiba Tourmalines:** Rare gemstones known for their vibrant blue-green hue.
- **Heart-Shaped Diamonds:** Adding a touch of romance and elegance.
- **Turquoise-Toned Floral Element:** A sculptural addition that complemented the overall design.

Julia Chafe remarked that the necklace's actual value likely far exceeded its estimated \$500,000 price tag, suggesting it could be worth several million dollars.

A Family Heirloom

Adding a personal touch, Nita Ambani borrowed both the necklace and a heart-shaped diamond ring from her daughter, Isha Ambani. This gesture not only showcased the family's exquisite jewellery collection but also highlighted the deep familial bonds.

Julia Chafe's Enthusiastic Praise

In her Instagram video, Julia Chafe expressed her admiration for the necklace, stating, "Nita Ambani is an Indian billionaire worth \$117 billion, and she spent a \$100 billion on this necklace." She further added, "If she got this for \$500,000, that was a steal."

Nita Ambani's necklace at the premiere of *The Ba**ds of Bollywood** was more than just a piece of jewellery; it was a testament to exquisite craftsmanship and timeless elegance. Through the insights of Julia Chafe, the world got a glimpse into the opulence that defines the Ambani family's jewellery collection.
