

Amazon Great Indian Festival 2025: Up to 70% Off

Published on 20 Sep 2025 | By IFI Correspondent

Amazon has announced the **Great Indian Festival 2025**, set to launch soon. This annual sale offers incredible discounts across categories. Most notably, shoppers can get up to **70% off on perfumes, makeup, and sunglasses**. Consequently, it presents an ideal opportunity to upgrade your beauty and fashion accessories without breaking the bank.

Perfumes

First, the sale brings a wide array of **perfumes for men and women**. From timeless classics to contemporary fragrances, each option is curated to suit different personalities. Moreover, these luxury scents are available at significant markdowns. Therefore, it's the perfect time to try new aromas or restock your favorites.

Makeup

Next, makeup enthusiasts can enjoy heavy discounts on **foundations, lipsticks, eyeliners, and more**. Additionally, the sale includes options for natural and bold looks alike. Because Amazon ensures a variety of brands and products, everyone can find something that matches their style. Consequently, shoppers can refresh their makeup kits without overspending.

Sunglasses

Furthermore, the festival sale features **sunglasses ranging from classic aviators to trendy oversized frames**. Not only do they protect your eyes, but they also elevate your outfit. In addition, the wide selection ensures there is something for all tastes. Therefore, shoppers can invest in style and functionality at reduced prices.

Tips to Maximize Deals

To make the most of the sale, consider a few strategies:

- **Prime Members Access:** Early access to deals allows you to shop before stock runs out.
- **Bank Offers:** Select banks provide extra discounts or cashback during the festival.
- **Wishlist Preparation:** Adding items to your wishlist ensures you grab them quickly once the sale starts.

By following these tips, shoppers can secure top products while saving money.
