

Antonia Gentry Shines as the Face of Jared's Storied Diamond Campaign

Published on 20 Sep 2025 | By IFI Correspondent

Antonia Gentry, best known for her role as Ginny in Netflix's *Ginny & Georgia*, has taken on a new role as the face of Jared Jewelers' "Storied Diamond" campaign. This initiative emphasizes transparency in the diamond industry, tracing each stone's journey from Botswana mines to the finished piece through blockchain technology. The campaign coincides with the release of Luc Jacquet's documentary, *A Diamond Is Born*, which delves into the natural diamond journey.

Evolving Personal Style

Gentry reflects on her style evolution, noting a shift from maximalism to minimalism. Finally she now favors stacking rings and is exploring anklets. A cherished piece is a pair of diamond earrings gifted by her grandmother, symbolizing a deep connection to her family's history.

Insights into *Ginny & Georgia* Season 4

As production for Season 4 of *Ginny & Georgia* approaches, Gentry anticipates more emotional depth and character development. She highlights the show's authentic portrayal of mental health, noting its impact on real-world conversations.

Fashion Week Experience

Gentry recently attended Off-White's New York Fashion Week show, held in a high school setting. She was impressed by the community involvement, with students helping organize the event and participating in the show. Therefore, the experience highlights fashion's power to connect and inspire.
