

Manish Malhotra's First Date Style Tips for Guys

Published on 22 Sep 2025 | By IFI Correspondent

Bollywood designer Manish Malhotra recently shared what a man should wear on his first date. He offered guidance via Brut India.

Project Yourself First

First, Malhotra says what you wear should reflect who you want to be. He insists personal style matters.

Also, you should dress consistent with your personality. Moreover, confidence comes when clothes align with self-image.

Casual, Confident Vibe

If you prefer casual, then messy hair works well. Likewise, casual watch complements that look. Also, neat jeans that fit properly matter significantly. Therefore, casual doesn't mean sloppy but comfortably stylish. However, if you want to project maturity and polish, go for crisp shirt. Also, select tailored trousers or perfect fitting jeans.

Furthermore, a well-cut shirt paired with well-fitting bottom expresses that you "know what you're doing."

No One-Size-Fits-All

Hence, there is no single formula. Instead, adapt your clothes to mood, setting, and impression you wish to create.

Because first dates are about impressions, what feels genuine often resonates more than over-styled looks.

Style & Authenticity Balanced

Moreover, Malhotra says mix polish with personality. So style should include signature details. Meanwhile, polish should reflect care.

And when you feel comfortable, your posture, smile, and interaction follow. Therefore, clothes support but don't define you.

Passion & Work Ethic

Besides fashion tips, Malhotra talked about his long career. He said that love for work keeps him alive.

Also, he stressed honesty in craft. Because fame fades, but passion and integrity endure. Firstly, Malhotra has styled Bollywood's elite for decades. His experience gives weight to his tips. Secondly, his advice is realistic, not overly dressy. Also, it acknowledges different personality types and vibes.

How You Can Apply His Tips

- Choose clothes that suit both venue and your character.
- Fit matters: ensure jeans or trousers hug well.
- Keep one sharp outfit ready: crisp shirt + polished shoes.
- For casual dates, subtle accessories add style without overdoing.
