Vvani Vats' OAS Collection Captures the Elegance of Morning Dew in Festive Couture

Indian designer **Vvani Vats** has unveiled her latest occasion wear edit, *OAS*, a collection that mirrors the **quiet elegance and shimmer of morning dew**. Designed for festive and wedding celebrations, *OAS* offers a serene, luminous take on traditional Indian attire, balancing ethereal beauty with modern wearability.

Serenity in Design

Inspired by the delicate calm of dawn, *OAS* plays with a **muted yet radiant palette** featuring ivories, soft lilacs, misty blues, sage greens, and touches of metallic pearl. The fabrics — chiffon, silk blends, organza, and crepe — are lightweight and breathable, giving each silhouette fluidity and ease. Key pieces include **pre-draped saris, flowing lehengas, and dramatic capes** that add volume without weight. Mirror embroidery mimics the sparkle of dew, while pearl hangings evoke droplets in motion.

From Maximalism to Quiet Luxury

Vvani explains that her previous collections celebrated grandeur and drama, whereas *OAS* embraces **minimalism, elegance, and fluidity**. “It’s about bridal and festive wear reimagined for women who want elegance without the weight,” she says. The collection allows for **versatility across occasions**, from intimate mehendi ceremonies to Diwali evenings.

Craft, Nature & Inspiration

Nature remains Vvani’s central muse. From desert sands to morning dew, her designs merge **timeless Indian craft with a modern sensibility**. “Mirror embroidery is usually heavy, but we’ve reinterpreted it in a delicate, dew-like way. Pearl fringes add a modern yet timeless touch,” she adds.

Wardrobe Essentials & Celebrity Influence

Vvani suggests **ivory lehengas, pearl or mirror-embroidered drape saris, embroidered blouses, and capes with pearl fringes** as must-haves for festive and wedding wardrobes. She cites **Aditi Rao Hydari** as her style inspiration for effortlessly balancing minimalism with impact.

What’s Next

Looking forward, Vvani hints at her next collection inspired by **twilight**, exploring deeper, moodier shades while maintaining the same lightness of construction. While *OAS* celebrates dawn, her upcoming line will embody dusk, glow,

and transition.

OAS redefines festive and wedding fashion, showing that **quiet luxury, fluidity, and versatility can coexist beautifully** in Indian couture.
