Ekta Sawhney's 'Tropic Panic' Collection Brings Tropical Vibes to Resort Wear

What does a **perfect, memorable vacation** look like? For many, it's a tropical escape filled with **sun-kissed beaches, lush landscapes, and vibrant skies**. Designer **Ekta Sawhney** captures this very feeling in her latest collection, **Tropic Panic**, a line designed for free-spirited women who embrace individuality, color, and playfulness.

A Playful Contradiction

"The name itself is a playful contradiction: 'tropic' evokes ease and beauty, while 'panic' adds an element of excitement," Ekta explains. Inspired by **summer, tropical landscapes, and nature's textures**, she translated these moods into clothing that is **light, expressive, and fun**, yet sophisticated.

Fabrics, Colors, and Prints

The collection features **denims, linens, crepe, and imported polyester**, chosen for **comfort, breathability, and structure**. The **color palette** bursts with tropical tones—coral, turquoise, leafy greens, yellows, and pops of pink—balanced with grounding denim shades. Outfits are adorned with **hand embroidery, playful detailing, and bold prints**, making each piece a statement of artistry.

Resort-Ready Silhouettes

From **co-ord sets and kaftans to flowy dresses, jumpsuits, and separates**, Tropic Panic caters to a variety of occasions. Whether it's a **beach vacation, rooftop brunch, poolside mehendi, or casual festive gathering**, the collection balances **effortless wearability with elevated design**.

Ekta adds, "Tropic Panic has been designed with the current season in mind, when everyone is either planning a getaway or looking for lighter, brighter outfits that feel effortless but still special."

Celebrating Emotion Through Fashion

At its heart, Tropic Panic celebrates **emotion, individuality, and the joy of summer**. Each piece is thoughtfully made to **reflect mood, place, and personal style**, making it a perfect choice for the modern, adventurous woman.
