

Glow Forecast: Beauty Launches To Fall For This September

Published on 23 Sep 2025 | By IFI Correspondent

As autumn edges closer, September brings sparkle and new beauty drops. Meanwhile, wedding season and festive calendars already fill up fast.

Hence, Elle curates launches you'll want front and centre in your beauty kit.

Skincare Stars Shine

First up is Givenchy's **Sculptural Range**, introducing anti-ageing Collagiv-Act Technology with Phoenix Ciste. It promises lift, collagen boost, and glowing, smooth skin. Next, Juicy Chemistry launches a 3% Ceramide Complex + Copper Peptide Serum. This serum locks in moisture, firms skin, calms irritations, and restores bounce.

Makeup for Mood & Multitask

Then, MAKE UP FOR EVER debuts its Artist Color Pencil in India.

Since it works as lip liner, eye pencil, and contour, it's a multitasker you'll love. Also, Nykaa Cosmetics adds airy Whipped Blush Pots to its line. They offer a natural flush on cheeks, lips, or lids in six shades.

Body & Hair Care That Heals

Moreover, SEREKO introduces its Hydra-Repair body care range.

It features ingredients like Urea, plant oils, NeuroCalm to soothe stressed skin barriers. Then, Kama Ayurveda brings the Bringaras Collection for scalp and hair vitality. Powered by bhringaraj and ras, this line delivers hair oil, mask, shampoo, serum, all in one regime.

Eye-Catching Extras

Also, Shankara Forest launches its Brown Kohl Kajal.

Because it uses cow ghee and castor oil, it defines, soothes, and strengthens lids and lashes. Furthermore, Etude reveals its Dear Darling Marker Tint. With a fun marker tip, six shades, and lightweight texture, it's ideal for bold or subtle looks.

Hair Shine & Finishing Touches

Finally, Schwarzkopf Professional rolls out the OSiS+ Smooth & Shine Range. [Elle India](#)

It protects hair from heat (up to 480°F), tames frizz, and adds shine via plant keratin and oat extract
