Styling Tips to Rock Green Traditions

Drawing from their looks, here are ways to style green for Day 5 beautifully:

1. Mix fabrics & textures

Blend organza, silk, or light cotton with heavier brocades or embroidery so green stands out.

2. **Choose blouse styles that contrast**

Halter-neck, high-neck, or V-neck can alter the mood of the outfit—pick what flatters you.

3. **Balance embellishment**

If the skirt or saree is heavily embroidered, go lighter with jewellery or dupatta; and vice versa.

4. **Opt for comfy silhouettes**

Palazzo sets or sound-airy sarees help in warm weather and long rituals.

5. **Play with colour accents**

Overall subtle touches of gold, orange, yellow or white bring warmth and contrast with green beautifully.

6. **Accessorize mindfully**

Statement earrings, minimal chokers, or delicate bangles work well. Avoid over-accessorizing so green remains the hero.
