

Rihanna's Maternity Fashion Moments That Revolutionized Pregnancy Style

Published on 26 Sep 2025 | By IFI Correspondent

Rihanna has recently welcomed her third child—a baby girl—named Rocki Irish Mayers. The announcement offered a perfect moment to revisit how Rihanna transformed maternity dressing forever. She embraced her bump in daring silhouettes, revealing textures, and statement pieces.

1. Party Shine: Fringe, Metallics & Color

In early 2022, for a Fenty Beauty launch in L.A., Rihanna stunned in a fringe-bejeweled set by Attico. Firstly top was lime-green halter, complementing ombré silver-and-purple pants. Secondly accessories were over-the-top: Chopard earrings, diamond rings, gold body jewelry. She paired it with Manolo Blahnik sandals. Thus look was loud, confident, unforgettable.

2. Sheer Boldness: “Naked Dress” Statement

One look that turned heads was the sheer black lace “naked dress” at Paris Fashion Week, Fall/Winter 2022. She layered it with a leather trench draped over shoulders. Silver jewellery, bold winged eyes, strong lips added intensity. Footwear: black patent leather boots from Amina Muaddi. Thus this entire look challenged ideas of modesty and maternity style.

3. The Big Reveal: Structured & Power Dressing

At the Met Gala 2025, Rihanna turned up wearing a look that mixed suiting with dramatic flair. Therefore, it includes a cropped long-sleeve jacket, corset-style bodice, low-rise pinstripe skirt with a high slit. Moreover she added a wide-brimmed Stephen Jones hat for drama. Jewellery from Cartier, Bulgari, Joseph Saidian & Sons turned this into an iconic maternity moment.

4. Corporate Chic: Layered & Empowered

Even in menswear shows, Rihanna redefined pregnant style. During Dior Homme Spring/Summer 2026, she wore a white button-up shirt layered with a mini vest. Over that, an open duster jacket with floral lining added texture. Therefore yellow-tinted glasses completed the bold yet refined look. Thus, proved maternity style can be professional and powerful.

5. Casual First Pregnancy Reveal

One of her most iconic maternity moments was her first reveal. However she wore a vintage Chanel pink puffer coat, ripped jeans, and a prominent bodysuit to show off her bump.

Overall bejeweled body chain featuring a large cross added an edgy, symbolic touch. Finally outfit mixed streetwear glam with vulnerability—it was bold and deeply personal.
