

Rashmika Mandanna's Milan Moment: Diamonds, Leather, and Edge

Published on 27 Sep 2025 | By IFI Correspondent

Rashmika Mandanna turned heads at Milan Fashion Week. She wore a striking all-black Onitsuka Tiger outfit. Yet, she did more than wear fashion. She owned the moment. Because her styling was bold, precise, and full of personality. Her look fused street cred with high fashion.

Moreover, she wasn't just another celebrity guest. As the Indian Brand Ambassador for Onitsuka Tiger, her appearance added weight. She demonstrated what it means to embody a brand style on the global stage. Thus, expectations were high. And she delivered.

The Outfit

First, the base: a sleek fitted top paired with a textured patchwork skirt. Overall skirt played with materials and patterns. It contrasted the smooth top. Then came structure: a tailored jacket gave edge. Its silhouette sharpened the ensemble.

Crucially, the boots defined much of the vibe.

Diamonds & Accessories

Whilst the outfit stayed mostly monochrome, the diamonds brought a glimmer. Rashmika layered diamond necklaces. She wore matching earrings. Also, she added stacked rings and a refined bracelet. Thus pieces gave light and texture. Yet, they didn't overwhelm.

Her jewellery amplified, not overshadowed. They balanced the darkness of leather and black fabrics. Therefore created a contrast: hard and soft, shine and matte.

Her makeup was fresh. Skin was luminous. Eyes had a soft smoky brown tone. Brows sculpted. Lips were muted. Thus lips' shade did not compete with eyes. Thus, the face stayed balanced.

Hair played a role too. Voluminous loose waves added movement. However overly styled. But enough to keep the look breezy. The overall effect: polished yet relaxed. Edge with refinement.

Style Details That Make the Difference

- **Monochrome mastermind:** The all-black palette allows textures and jewellery to stand out.
- **Patchwork skirt:** Breaks uniformity. Adds visual intrigue.
- **Tailored jacket:** Structure, authority, silhouette.

- **Long leather boots:** Ground the look. Add confidence.
- **Layered diamonds:** Shine, sparkle, refinement.
