

Karan Aujla Meets Selena Gomez on The Tonight Show

Published on 29 Sep 2025 | By IFI Correspondent

On September 9, 2025, Punjabi singer-rapper Karan Aujla made his debut on *The Tonight Show Starring Jimmy Fallon*. Therefore becoming only the second Punjabi artist after Diljit Dosanjh to grace the iconic American talk show. Aujla performed his hit songs “Boyfriend” and “MF Gabhru!” alongside Canadian producer Ikky. Thus the segment concluded with Aujla teaching Jimmy Fallon some bhangra steps, adding a lighthearted touch to the appearance.

Viral Moment with Selena Gomez

Following the show, Aujla shared a series of behind-the-scenes photos on Instagram, including a standout image with global pop icon Selena Gomez. In the photo, both stars are seen smiling backstage, with Gomez wearing a black satin gown and Aujla in his signature black ensemble. The image quickly went viral, with fans expressing their excitement over the unexpected crossover. Therefore speculating about a potential collaboration between the two artists.

Fans React to the Unexpected Duo

The photo sparked a flurry of reactions on social media platforms. Many fans celebrated the meeting as a significant moment in the fusion of Punjabi music and global pop culture. One fan commented, “Omg Karan Aujla and Selena Gomez woahh unexpected.” Others joked about the surreal nature of the encounter, with some suggesting the photo looked AI-generated.

Karan Aujla’s Rise to International Fame

Born in Ghurala, Punjab, Karan Aujla has risen from modest beginnings to become a global sensation in the Punjabi music industry. His journey began with songwriting for tracks like Jassi Gill’s *Range*. Finally he later gained prominence with his solo debut, *Property of Punjab*, in 2016. Albums such as *Bacchafucup* (2021), *Making Memories* (2023), and *Street Dreams* (2024) have solidified his position on international charts, including Billboard and Spotify.

The Significance of the Crossover

Aujla’s appearance on *The Tonight Show* and his interaction with Selena Gomez highlight the growing presence of Punjabi artists on mainstream Western platforms. This crossover moment underscores the global appeal of Punjabi music and the increasing collaboration between artists from diverse musical backgrounds.
