On September 29, 2025, BLACKPINK's Rosé made a striking appearance at the Saint Laurent Spring/Summer 2026 runway show during Paris Fashion Week. The event, held under the glittering lights of the Eiffel Tower, showcased the brand's latest collection, and Rosé's ensemble was a standout moment.

A Dreamy Ensemble

Rosé wore a soft blue satin dress adorned with delicate pink lace detailing. The strapless maxi dress featured a tiered silhouette that added depth and movement. A dramatic bow at the back of the dress added a touch of whimsy and elegance. She paired the dress with sheer black stockings, allowing the gown's intricate details to take center stage.

Minimalistic Accessories and Makeup

Opting for a minimalist approach, Rosé accessorized with a bold bracelet and skipped other jewelry, letting her outfit shine. Her makeup was soft and ethereal, complementing the dreamy quality of her dress. This look marked a departure from her previous edgy styles, showcasing her versatility and ability to embody various fashion aesthetics.

Mixed Reactions from the Internet

Rosé's outfit quickly garnered attention online, with fans offering mixed reactions. Some praised her for the elegant and ethereal look, while others felt the ensemble was too reminiscent of sleepwear. One commenter on social media noted, "She looks like she's going to a pyjamas party," highlighting the divided opinions on her fashion choice.

A Fashion Icon's Presence

As a global ambassador for Yves Saint Laurent Beauté, Rosé's attendance at the show further solidified her status as a fashion icon. She joined other notable celebrities, including Hailey Bieber, Zoë Kravitz, and Charli XCX, in the front row, all of whom showcased their unique styles and contributed to the star-studded atmosphere of the event.
