

Kim Kardashian's Show-Stopping Appearances at Paris Fashion Week

Published on 06 Oct 2025 | By IFI Correspondent

Kim Kardashian surprised fans and fashion enthusiasts alike by debuting a sleek pixie cut during Paris Fashion Week 2025. This dramatic hairstyle departure from her signature long locks immediately garnered attention, showcasing her willingness to experiment with her look. The pixie cut, characterized by soft, layered bangs and a tapered neck, added a fresh and edgy to her appearances throughout the week.

Dazzling Ensembles: From Couture to Street Style

Throughout the week, Kardashian showcased a variety of stunning outfits that highlighted her fashion versatility:

- **Maison Margiela Show:** At the Maison Margiela Womenswear Spring/Summer 2026 show, she wore a luxurious fur coat over a figure-hugging dress, exuding old Hollywood glamour. The ensemble was complemented by her new pixie cut, which added a modern twist to the classic look.
- **Alaïa Show:** Later, at the Alaïa Spring/Summer 2026 show, Kardashian donned a structured black corset bodysuit paired with a sheer skirt and a leather and shearling jacket. Therefore the bold outfit choice demonstrated her ability to blend edgy fashion with high glamour.
- **Street Style:** Off the runway, Kardashian was in a variety of chic outfits, including a neon pink body-hugging dress by Balenciaga, which she paired with monochrome tights and pointed-toe heels. This ensemble, reminiscent of a "Balenciaga Barbie," turned heads as she arrived for her fitting ahead of the couture show.
