Aishwarya Rai Bachchan Shares Unseen Moments With Viola Davis, Kendall Jenner & More From Paris Fashion Week 2025

Aishwarya Rai Bachchan once again proved why she's the global face of timeless glamour. The actress recently walked the ramp for **L'Oréal Paris** at **Paris Fashion Week 2025**, donning a stunning black sherwani-inspired ensemble designed by **Manish Malhotra**.

Now, the beauty icon has treated fans to a glimpse behind the scenes, posting **unseen pictures with some of the world's most iconic faces** from the event.

Star-Studded Moments in Paris

In her latest Instagram post, Aishwarya shared group photos featuring **Viola Davis, Kendall Jenner, Heidi Klum, Simone Ashley**, and fellow L'Oréal ambassadors including **Elle Fanning, Eva Longoria, Andie MacDowell, Cindy Bruna, Luma Grothe**, and **Aja Naomi King**. The snapshot captured an extraordinary moment — a gathering of global beauty, talent, and empowerment.

Her caption simply read: *"Shine on my dear ?"* — perfectly capturing the spirit of sisterhood that defined this year's showcase.

The Glamorous L'Oréal Show Look

For the runway, Aishwarya stunned in a **black diamond-studded sherwani ensemble** from Manish Malhotra's atelier — an artistic fusion of heritage menswear and modern sensuality. The design featured a **bandhgala collar with a split neckline, diamond-embellished buttons, padded shoulders**, and **front and side slits**, all tailored into a sleek, body-hugging silhouette.

She paired it with **flared black trousers**, styling the look with her signature **ruby red lips** and **voluminous flowing hair**. As she walked the ramp, Aishwarya greeted the audience with folded hands and radiant smiles — a gesture that instantly went viral.

A Night of Fashion, Family & Global Glamour

Aishwarya also posted a **heartfelt video montage** from the night, showing moments with co-star **Simone Ashley** and her daughter **Aaradhya Bachchan**, who accompanied her to the show. The adorable mother-daughter duo was seen

taking selfies, sharing smiles, and soaking in the energy of the night.

The show, themed “**Liberté, Égalité, Sororité**” — translating to “*Liberty, Equality, Sisterhood*” — celebrated female strength, diversity, and global unity as part of **Paris Fashion Week Women’s Ready-to-Wear Spring/Summer 2026**.

With Aishwarya Rai Bachchan at its heart, it was a night that truly reflected the blend of **Bollywood grace and international glamour**.
