Step Into Summer with Playful Prints and Soft Pastels in Nef's Finds x Muskan Chanana Limited Drop

Nef's Finds' latest collaboration with **digital creator Muskan Chanana** is everything a summer wardrobe dreams of—**pastel perfection, nostalgic prints, and silhouettes designed for joy**. The **limited-edition collection** is a heartfelt celebration of friendship, femininity, and creative synergy between two women who share not just a love for fashion, but also a long-standing bond that goes back to high school.

Founder and Creative Director Nefertari Joshi and **Muskan Chanana**, known for her effortless, trend-forward style, co-created this capsule over four months—through countless fittings, sketches, and early-morning brainstorming sessions. “It was such a refreshing process,” Muskan shares. “Seeing a design evolve from sketch to final product was truly special.”

The collection's moodboard draws from iconic fashion moments in pop culture—think *Sex and the City*, *How to Lose a Guy in 10 Days*, and *Marilyn Monroe's white dress*. The result is a line that feels cinematic yet wearable, **perfect for brunches, garden parties, and sunset soirées**.

The **colour palette** leans into the season's softness—baby pinks, powder blues, and butter yellows—while **prints like cherries, gingham, and polka dots** lend a playful, nostalgic charm. Every piece is designed to be flattering and versatile, from **easy co-ord sets** to **flowy dresses** and **statement backs**.

“Our goal was to make fashion that feels light, feminine, and real,” says Nefertari. “Muskan brought fresh ideas about what today's women want to wear—styles that are chic yet comfortable, expressive yet timeless.”

When asked to pick a favourite, Muskan doesn't hesitate: “Definitely the *Espresso Set*! It was the first sample I tried on and it's been my go-to ever since. It's easy, flattering, and just feels very me.”

This drop from **Nef's Finds x Muskan Chanana** embodies everything summer stands for—**sunny days, playful energy, and self-expression with ease**.
