

Kylie Jenner & Timothée Chalamet Fire Up NYC in Coordinated Leather

Published on 09 Oct 2025 | By IFI Correspondent

In a show of sartorial synergy, **Kylie Jenner** and **Timothée Chalamet** arrived at the **Marty Supreme** premiere after-party in New York City wearing coordinated leather looks. The couple hit the **Waverly Inn** for the event, stepping out in dramatic all-black ensembles that narrated their fashion chemistry. While they did not pose together on the red carpet, behind-the-scenes footage caught them mingling and entering the party in tandem.

Kylie's Look: Biker Chic & Bold Silhouettes

Jenner leaned into biker aesthetics. She wore:

- A **black leather biker jacket** with a **tan fur collar**
- A **super-cropped black top** underneath
- A **long black maxi skirt**
- Strappy heels and a top-handle bag to complete the look

There's speculation that the leather jacket might be from **Khy**, her own fashion label. Her styling balanced edge with familiarity — the fur trim adds texture and contrast to the dark palette.

Timothée's Look: Subtle, Layered Leather

Chalamet matched the mood but kept his own flavor. His outfit included:

- A **black leather zip-up jacket**
- A **charcoal hoodie** layered beneath
- Loose, baggy leather trousers
- Rugged **tan suede boots**
- Rectangular eyeglasses for a refined touch [Harper's BAZAAR](#)

His layered styling and relaxed trousers softened the leather intensity, making it wearable yet bold.

Fashion Messaging & Couple Coordination

Coordinating wardrobe choices like these are a time-tested couple tactic in celebrity style. But Jenner and Chalamet's version feels less overtly "matchy-matchy" and more about complementary energy: same color story, distinct cuts, shared texture.

This appearance also underscores Kylie's support. She reportedly left Paris Fashion Week early to fly to New York for this premiere.

It's their first joint appearance in months, signaling renewed public momentum for the duo.
