

## Lakmé Fashion Week's "Be-Jewel Moments" 5 Days of Runway

Published on 10 Oct 2025 | By IFI Correspondent

The latest edition of **Lakmé Fashion Week x FDCI** unfolded across five vibrant days, offering not just clothing, but **be-jewel moments**—instances where outfit, accessory, lighting, and performance aligned to create unforgettable style. Hence event became a canvas for designers, models, and stylists to celebrate opulence, detail, and innovation.

From bold prints to refined minimalism, from statement jewelry to subtle adornment, the week demonstrated that true glamour lies in how every element is orchestrated.

### Jewelry as Co-Star, Not Afterthought

One key thread across the shows this year was the elevation of jewelry. Designers integrated **beading, gemstones, crystals, metallics** and sculptural jewelry into garments or as standalone highlight pieces. In many looks, a necklace, ear cuff or hand piece didn't just complement the outfit — it defined it.

Therefore accessories were treated as vital components in storytelling: some collections featured pieces reminiscent of heirlooms, others pushed forward with futuristic shapes and bold scale. Thus "be-jewel moment" became a theme unto itself.

### Designers & Signature Moments

Over five days, the runway showcased a broad spectrum of designers—established names and emergent talents alike. Each brought distinct aesthetics, but many aligned on craftsmanship and detail.

- Some collections played with **metallic fabrics**, creating sheen that acted like jewelry on cloth.
- Others emphasized **intricate embroidery** in gold or silver threads that caught light like facets of a gem.
- Still others opted for **structured silhouettes** that allowed jewelry and adornments to float — pendants, chains, dangles — without crowding.

Overall showstoppers and headline walks accentuated these aesthetics, becoming focal points in the week's narrative.

### Standout Walks & Showstoppers

Certain moments lingered in collective memory:

- **Veer Pahariya**, as showstopper for Abraham & Thakore, opted for a refined ivory bandhgala that radiated quiet luxury — his styling underscored how subtle tailoring plus restrained color can be a jewel in itself.

- **Aditi Rao Hydari** lit up the ramp in a **midnight-hued saree** for Satya Paul. Her drape, movement, and the choice of tones contributed to a hauntingly beautiful nighttime fantasy.
- Numerous celebrity appearances and model walk-outs included bold jewelry statements—oversized earrings, layered necklaces, stone-embedded belts—that made for those “stop and stare” visuals.
