When fashion meets function in its most effortless form, it looks a lot like Miraggio’s latest drop — the Nylon Collection, aptly titled *Made To Move*.

Crafted for women who live life in motion, *Made To Move* brings together minimal design, functional sophistication, and everyday luxury. Lightweight, durable, and endlessly versatile, this collection celebrates the art of moving — seamlessly, stylishly, and without compromise.

Made To Move: Where minimal meets multifunctional

The lineup features six distinct bag styles — **tote, shoulder, backpack, fanny pack, camera crossbody, and mobile sling** — each designed to integrate effortlessly into the rhythm of modern life. Available in on-trend shades of **black and brown**, the pieces are made from sleek nylon that’s as resilient as it is refined.

Every thoughtful detail — from **secure zippers** and **adjustable straps** to **space-smart compartments** — makes organization intuitive and elegant. No digging, no fumbling, just smooth, functional design.

Meet the Icons of Motion

Alexa, the multitasking tote, is made for the woman who juggles boardrooms and brunches with equal grace. Roomy enough for a laptop and essentials, yet structured to stay sleek, Alexa pairs perfectly with both streetwear and workwear.

Then comes **Rue**, the shoulder bag with quiet confidence. Minimal, versatile, and polished with Miraggio’s signature dual pullers and contrast card slot — she’s the go-to for all-day errands and effortless transitions.

For off-duty days, there’s **Casey**, the compact crossbody that carries your phone, cards, and SPF through brunches, walks, and weekend adventures. And **Jeff**, the mobile sling, is for those who prefer hands-free freedom — small, stylish, and surprisingly roomy.

Sloane, the backpack, brings practicality to a new level. Sleek yet spacious, it’s perfect for work commutes and spontaneous getaways. Finally, **Ash**, the statement fanny pack, steals the show with its bold clasp and compact silhouette — the perfect travel-ready accessory.

A Collection That Moves With You

With *Made To Move*, Miraggio captures the **tempo of modern living** — fast-paced, fluid, and full of style. Each piece embodies the brand’s commitment to **freedom, comfort, and quiet luxury**, redefining what it means to move

beautifully.

These aren't just bags — they're **companions for every version of your day**, made to carry your world without weighing you down.
