

Homecoming by Lovebirds Studio: A Contemporary Celebration of Festive Joy

Published on 13 Oct 2025 | By IFI Correspondent

Homecoming by Lovebirds Studio Captures the Joy of Festive Reunions

Festivals have a way of calling us back home, no matter how far life takes us. For those who leave their native towns for studies or work, these moments are precious — a chance to reconnect, celebrate, and dress up. Lovebirds Studio's latest festive collection, **Homecoming**, encapsulates this very spirit with contemporary elegance, playful detailing, and versatile silhouettes.

? Design Philosophy: Modern Celebrations

Co-founders **Amrita Khanna** and **Gursi Singh** designed **Homecoming exclusively for the Indian market**, with the intention of blending celebration and practicality.

"I've never been drawn to overly traditional festive wear, and I know many women feel the same. There's a gap in the market for pieces that are celebratory yet contemporary. This collection is our answer," shares Amrita.

The duo has carefully chosen **silk, organza, linen, and taffeta** to craft outfits that feel festive without being overdone. Their colour palette includes **mustard, cobalt blue, and pink**, anchored with subtle shimmer to evoke a quiet celebratory aura.

? Playful Detailing and Versatile Silhouettes

Homecoming delights with **polkas, beadwork, and lily embroidery**, adding whimsical charm to structured designs. The collection celebrates **asymmetry and deconstruction** through:

- Constructed skirts
- Exaggerated sleeves
- Sculptural tube dresses

- Reimagined suits and jackets

These designs allow for **modern versatility** — perfect for everything from intimate dinners to cocktail evenings, festive family gatherings, and weddings.

“The shimmer is quiet and deliberate, making each garment celebratory without being overbearing,” says Gursi.

? A Celebration of Contemporary Indian Fashion

By blending **playful craftsmanship with modern silhouettes**, Homecoming embodies a new wave of **festive fashion that is both functional and stylish**. The collection reaffirms Lovebirds Studio's ethos: creating pieces that resonate with the modern Indian woman — confident, graceful, and ready to celebrate life in style.
