Bollywood actress **Tara Sutaria** lit up Instagram with a set of enchanting pictures from **Manish Malhotra’s starry Diwali bash**. In the images, she is seen alongside **Veer Pahariya**, her rumored beau. The two appear elegantly styled and visually in sync.

Tara captioned the post with a playful line:

“Last night with my firecracker... For our dearest @manishmalhotra05, my favourite host always.”

Her affectionate wording — “my firecracker” — immediately caught attention and added a personal, warm touch to the festive imagery.

The Look & Styling Details

Tara’s outfit struck a delicate balance between glamor and tradition. She donned a **crystal-embellished golden lehenga**, designed to glitter under the event’s lighting. The blouse featured structure, bringing a modern twist to her festive drape.

She opted for sleek styling: straight hair parted neatly, and minimal makeup in warm tones. Her jewelry was elegant, intended to enhance rather than compete with her attire.

Beside her, Veer chose an **ivory kurta set**, a subtle yet elegant contrast to Tara’s shimmer. Their color coordination underscored cohesion without being overt.

Caption Chemistry: “Firecracker” & “Pataka”

The choice of “firecracker” in her caption is telling. It’s more than a festive metaphor — it carries flirtatious undertones.

Veer also responded in the comments, teasing her with a witty counter — he called her “my PATAKA.” The interplay of terms like “firecracker” and “pataka” (Hindi for “sparkler” or “firecracker”) plays into their budding romantic narrative.

Such playful banter, especially publicly, strengthens fan interest and frames their relationship as warm and affectionate.
