

Diana Penty Sparkles in Shri-Gold Glam at Diwali Bash

Published on 14 Oct 2025 | By IFI Correspondent

At Manish Malhotra’s much-anticipated Diwali Bash in 2025, Diana Penty was among the most photographed attendees. Her look blended shimmer, structure, and sophistication—earning her praise for balancing bold festivity with refined style.

Glowing under the event lights, she delivered a fashion moment that drew eyes without overwhelming the senses.

The Look: Sequins, Sheer, and Shine

Diana’s outfit revolved around gold and yellow tones, featuring heavy sequin or embellishment work. One description paints her in a **pearl-laced crop top** matched with a **fish-scale sequin skirt**, a more contemporary two-piece that still carried a festive glimmer.

Other reports, however, place her in a more traditional silhouette: a **golden or yellow sheer saree** adorned with floral threadwork and scalloped borders. This look was paired with a blouse (possibly sweetheart or plunging style) enhanced with sequin detailing. [Vogue](#)

Styling & Presence

Diana’s styling complemented the outfit’s sparkle:

- She seems to have kept accessories minimal so that the sequins or embroidery took centre stage.
- Makeup likely followed a “glowy” aesthetic—highlighting, subtle shimmer, perhaps a nude or soft lip tone to balance the metallics.

Her posture, her entrance, and the way she carried the look all contributed to her being labelled “one of the glamorous highlights” of the evening.

- **Color and shine:** Gold/yellow and sequins are classic festive choices, but Diana’s outfit didn’t feel cliché—it felt purposeful.
- **Mix of modern + traditional:** Whether she wore the two-piece or a saree, there was a refreshing blend: bold sparkle with silhouettes that are flattering and contemporary.
- **Balanced detailing:** Her choice to let the outfit shine, with restrained accessories and polished styling, meant she avoided looking overdone.
