

Olympic Champ Suni Lee Makes Bold Runway Debut at VS Show

Published on 16 Oct 2025 | By IFI Correspondent

Suni Lee's rise in gymnastics is well known: she's a two-time Olympic gold medalist, with accolades and fans around the world.

What's new is her leap into fashion. The 2025 Victoria's Secret show marked her runway debut — a symbolic move from athletic champion to a model embracing new roles.

The Look: Sporty Meets Statement

Representing Victoria's Secret's *PINK* line, Lee's outfit leaned into athletic minimalism — while still making a statement.

Her ensemble included:

- A pink sports bra featuring "PINK" lettering in silver
- Black short shorts
- A pink zip-up hoodie with feathered angel wings on the back
- Silver hoop earrings and sparkly silver heels
- Sleek straight hair, flushed cheeks, and purple shimmer eyeshadow.

The Moment & Its Impact

Walking this high-profile runway is more than a cameo — it's a declaration. Lee's presence signals several shifts:

- **Redefining notions of who can walk a fashion runway:** She's an elite athlete becoming a model, breaking down stereotypes.
- **Blurring lines between sport and fashion:** PINK, as a lifestyle line, is meant to straddle comfort, youthfulness, and edge — Lee's look embodied that.
- **Representation & inspiration:** Lee has spoken about rarely seeing people who looked like her in major fashion platforms growing up. This moment is meaningful beyond style.

In her remarks, Lee described the opportunity as stepping out of her comfort zone. Yet, she also framed it as powerful:

“You can chase Olympic gold and still own your femininity.
