

## Gigi & Bella Hadid Make the VS Show a Sister Affair

Published on 16 Oct 2025 | By IFI Correspondent

When it comes to runway reunions, few can match the impact of **Gigi and Bella Hadid** walking together under the Victoria's Secret lights. In the 2025 edition, they turned the show into a sister affair—bringing both fashion pedigree and emotional resonance to the stage.

Here's how their moments unfolded—and what they brought to the spectacle.

### Reunited in Glamour

Gigi and Bella are no strangers to sharing catwalks. Over their careers, they've walked together for top brands like Versace and Jacquemus. Their appearance together at VS 2025 underscores both their enduring relevance and the power of their combined star presence.

While they walked separately during the show, their shared aura created a narrative thread. Their walks weren't just individual moments—they felt like a duet.

### Gigi's Dual Acts: Pink Stage, Angelic Finale

For her first turn, **Gigi** embraced a bold, feminine look:

- A **pink lace camisole** and matching briefs
- A dramatic **floral petal cape**
- Barbie-pink stilettos

Later, she shifted to an ethereal white ensemble:

- A fitted **white corset top**
- Pleated white skirt
- A padded pair of **white angel wings**

Her dual looks juxtaposed soft florals and classic angelic symbolism—marking a journey from bold color to luminous purity.

### Bella's Statement Turns: Red Drama to Metallic Wings

**Bella Hadid** brought contrast, drama, and flair:

- First, she strode out in a **satin red bra and briefs**, paired with sheer stockings, garters, and a train sewn into her look.
- For her return, she elevated the look with a **metallic fringe bra top and briefs**, enhanced by **white floral-petal wings**.

Bella's transition from classic red glamour to high-impact metallic fringe with wings speaks to her range and willingness to shift energies mid-show.
