

Tripti Dimri's Double Daring at Victoria's Secret 2025

Published on 17 Oct 2025 | By IFI Correspondent

Tripti Dimri made waves at the **Victoria's Secret Fashion Show 2025** in New York City, grabbing attention with not just one—but **two** daring, femme-fatale inspired looks that seamlessly balanced sensuality and sophistication. From the red carpet to the pre-show dinner, she proved her mettle as a style chameleon and fashion risk-taker.

Red Carpet: Dark, Sultry, and Structured

The Black Corset Sheer Moment

To kick off her evening, Tripti opted for an **all-black ensemble** that commanded attention. The centerpiece was a corset-style sheer dress with **sleeveless straps** and a **sweetheart neckline**, all structured to accentuate her form. The bodice was cinched at the waist before flowing outward via a textured sheer-net overlay that extended toward the hem, giving the look movement and drama.

Styling & Accessories

She paired the outfit with **black stockings and high heels**, anchoring the dark, bold theme. Accessories added the edge: a sleek **black punk-choker** with silver detailing, **statement silver hoops**, and a glittering bracelet. These metallic accents popped against the black, lending a touch of glam-rock.

Hair & Makeup Details

Tripti kept her hair side-parted and wavy—glamorous, but not overpowering. Her makeup leaned luminous: soft pink cheeks, glittery smoky eyes, and mauve glossy lips. The combination struck a balance — she looked polished but not overdone.

Pre-Show Dinner: Maroon Sheer Floral Drama

The Dark Maroon Sheer-Net Ensemble

If the red carpet look was bold, the dinner outfit dialed up the femininity. Tripti donned a **dark maroon sheer-net dress** layered over a slip, featuring a **plunging V-neckline** and sleeveless straps. The hemline ended mid-thigh, but thanks to a **floral sheer-net overlay** it extended behind her like a train, lending regal drama.

Styling & Presentation

For this look, she kept the styling more restrained to let the outfit shine. Her hair was swept into a **high ponytail**, with face-framing strands. This contrasted with the earlier wavy style, offering a fresher silhouette. In her makeup, she preserved the glowy base, fluttery lashes, winged eyeliner, and maintained her signature mauve glossy lips.
