New York, NY — Jennifer Lopez showcased her signature high-fashion style during a visit to the Howard Stern Show as part of her *Kiss of the Spider Woman* press tour. Despite being a radio appearance, the interview was filmed, allowing viewers to appreciate her striking outfit.

She wore a deep-blue denim button-down tucked into wide-leg stonewash jeans, cinched with a tan leather belt. To elevate the look beyond Western vibes, her stylists Rob Zangardi and Mariel Haenn paired it with refined pieces: a gray herringbone blazer and a tiny black necktie cropped at the waist. She completed the ensemble with caramel suede platform boots reminiscent of cowboy boots but with a glamorous twist, oversized aviator sunglasses, floral dangle earrings, and chunky gold studs.
