

This Diwali Collection Celebrates the Woman Behind Every Festival: Inside Kushal's Fashion & Silver Jewellery's 'Festivities Begin With You'

Published on 17 Oct 2025 | By IFI Correspondent

There's a certain stillness before Diwali truly begins — the faint aroma of incense, the shimmer of diyas flickering across verandas, and the rhythmic clinking of silver trays. It's in these delicate moments that the festival comes alive — not through grandeur or perfection, but through warmth, emotion, and togetherness.

That spirit is what **Kushal's Fashion and Silver Jewellery** captures so beautifully with its **Diwali Collection 2025**, titled ***"Festivities Begin With You."***

A celebration of the woman who makes every moment shine

This collection isn't just a showcase of festive jewellery — it's a tribute to the woman who quietly anchors every celebration. She's the laughter that fills the home, the calm in the chaos, the elegance that turns every moment into a memory.

"The collection is our ode to every woman who lights up a room just by being in it," says **Manish Gulechha**, co-founder of Kushal's Fashion and Silver Jewellery. "Festivals are about shared joy — and we wanted our designs to reflect that connection. This Diwali, we hope our pieces add an extra sparkle to homes, hearts, and celebrations."

Where craftsmanship meets emotion

The **Diwali 2025 collection** unfolds like a festive diary — designed to accompany a woman through every part of the day, from serene rituals to spirited parties.

? **The Day Puja Collection** evokes the charm of new beginnings. Antique-finish necklaces, bangles, rings, and waist chains — shaped like delicate petals and adorned with red and green stones — perfectly complement morning rituals. They pair beautifully with traditional silks and lehengas, adding a whisper of heritage to every prayer.

? **The Dinner Party Collection** transitions effortlessly into the evening. Elegant kundan sets with deep red stones bring quiet sophistication to family gatherings, blending beautifully with Indo-fusion ensembles that balance tradition with ease.

? **The Diwali Party Collection** closes the day with sparkle and spirit. Think zircon creations with ruby undertones that catch the light with every move — bold, dazzling, and made for the woman who is unapologetically herself.

Beyond adornment — a feeling, a story

Each piece from this collection speaks to emotion rather than ornamentation. It captures the essence of joy — the laughter shared across dinner tables, the soft rustle of silk, the glint of bangles as the night deepens.

With designs that balance **heritage and modernity, comfort and glamour**, **Kushal’s Fashion and Silver Jewellery** reminds us that the true celebration of Diwali begins not with the lights — but with **you**.
