Often, the right pair of earrings can transform a wedding outfit. And unsurprisingly, Bollywood celebrities have been leading this trend for years. The Times of India lists **five heavy earring designs**, approved by top stars, that are perfect for wedding vanity.

Meanwhile, brides-to-be and wedding guests alike are looking for statement earrings that enhance their ensemble *and* frame their face beautifully. [The Times of India](#)

1. Chandbalis: Bold & Traditional

For instance, Kareena Kapoor Khan wore a gold chandbali set with contrasting pearls. It instantly elevated her ethnic look.

Chandbalis are popular because they pair well with classic bridal or ethnic looks. You can opt for one decorated with jadau, pearls and gemstones—and even add a pop-of-colour that coordinates with your outfit.

2. Diamond Chandelier Earrings: Modern Glamour

On the other hand, stars like Anushka Sharma have chosen single-layer shimmering diamond chandelier-style earrings. These work especially well for cocktail or reception nights.

Such earrings bring in a modish energy—they blend contemporary design with elegance.

3. Danglers with a Twist: Subtle & Stylish

Then there are dangling designs worn by the likes of Janhvi Kapoor. These earrings don't quite reach the shoulder, yet they command attention. For example, she wore a golden-and-purple piece reminiscent of seashell shape.

Danglers such as these are ideal when paired with modern Indian or Indo-Western outfits—they bring a hint of modern essence.

4. Oxidised Silver & Floral Motifs: Boho-Chic with Attitude

If you're aiming for a boho vibe, take a cue from Kriti Sanon—who was spotted in silver oxidised round dangling earrings with floral mirror detailing. They scream “statement” in the most iconic way.

However, when you choose such bold earrings, make sure your outfit and other jewellery remain minimal—so the earrings do the talking.

5. Heritage Statement Earrings: Colour, Craft & Drama

Finally, Deepika Padukone has turned heads with heavy traditional earrings—like from the brand Sabyasachi × Amrapali—featuring meenakari work, semi-precious stones and silver-alloy bases.
