

Amaris Fine Jewels x Shalini Passi: An Artistic Collaboration that Redefines Luxury Jewellery

Published on 29 Oct 2025 | By IFI Correspondent

Art connoisseur **Shalini Passi** collaborates with **Amaris Fine Jewels** to present a breathtaking jewellery line that bridges the worlds of art and high design. The debut collaboration—**Amaris x Shalini Passi**—is a limited-edition capsule that celebrates individuality, symbolism, and craftsmanship. Co-designed by **Shalini Passi** and **Prerna Rajpal**, founder of Amaris Fine Jewels, this collection brings together Shalini's artistic vision and Prerna's mastery of fine jewellery design.

Titled “**Cross My Heart**,” “**Flower Power**,” and “**Born to Fly**,” the collection features **only five pieces of each design**, ensuring exclusivity and heirloom value. Each jewel becomes a wearable artwork—an expression of emotion, energy, and identity.

A Dialogue Between Art and Adornment

Speaking about the collaboration, **Prerna Rajpal** shares, “Cross My Heart explores Shalini’s love for the cross motif, brought to life in regal purple amethyst. The hero choker comes with interchangeable bands of pearls and black velvet, allowing it to transform from classic elegance to contemporary edge.”

Flower Power, inspired by Shalini’s fascination with florals and her fondness for pink, celebrates craftsmanship at its finest. “We worked with over ****6,000** gemstones—pink sapphires, emeralds, and diamonds—to create a sweeping collar necklace that is truly a collector’s piece,” Prerna adds.

Finally, **Born to Fly** merges Shalini’s lifelong love of butterflies with Amaris’ signature **Meant to Fly** motif. Crafted in luminous **mother-of-pearl with diamond accents**, the pieces capture the essence of freedom, transformation, and grace.

Limited-Edition Luxury with a Soul

What makes this collaboration remarkable is not only its aesthetic appeal but also its deeper philosophy. Each design embodies Shalini’s belief that jewellery, like art, is a reflection of emotion and individuality. “I’ve always seen jewellery as an extension of self-expression,” says Shalini. “This collection tells stories of love, freedom, and transformation—values that resonate both in art and in life.”

Together, Amaris and Shalini have created more than just adornments—they’ve crafted **a bijouterie narrative** that intertwines **artistic thought, masterful technique, and timeless allure**.

This is jewellery that doesn’t just sparkle—it speaks.
