Leighton Meester made a high-glamour appearance at the Los Angeles premiere of the *I Love LA* comedy series on October 28 2025. The event took place at the Paramount Theatre, and Meester's look stood out among the fashionable crowd.

The dress: strapless sequins, deep plunge

Meester donned a strapless black sequined gown by Carolina Herrera that featured a dramatic **plunging neckline**. The bodice was cut in a shape reminiscent of a heart-shaped silhouette with a modern twist.

The gown's sequins captured light brilliantly, giving a shimmering effect that complemented the red-carpet backdrop. The midi-to-floor length kept the classic elegance intact.

Styling & accessories

- **Shoes:** She paired the gown with satin black backless heels that matched the dress's sophistication.
- **Jewellery:** Meester accessorised with silver, fan-shaped earrings by Anita Ko — subtle yet striking.
- **Hair & makeup:** Her honey-blond hair fell in Old-Hollywood-style spirals, while her makeup favoured a fresh complexion and soft features, allowing the dress to command attention.

Why the look works

- **Balance of classic and contemporary:** The strapless sequined design channels old Hollywood glamour, while the plunging neckline and body-hugging silhouette add a modern, edgy twist.
- **Colour and fabric choice:** Black with sequins ensures elegance and high impact under red-carpet lights — a smart choice for a premiere.
- **Focused detailing:** With minimal accessories and a restrained palette, the dress remained the focal point, her styling complimenting rather than competing.
- **Event appropriateness:** Supporting a series premiere, Meester's look struck the right tone — glamorous but not over-the-top, aligned with the evening's energy.
