

Prateik Smita Patil & Priya Banerjee's Emotional First Ramp Walk Together

Published on 31 Oct 2025 | By IFI Correspondent

Bollywood couple Prateik Smita Patil and Priya Banerjee turned heads as they made their **first joint ramp walk** after the wedding — a moment filled with romance and style. The couple, walking hand-in-hand, described it as more than just a fashion moment; for them, it symbolised a new beginning.

Prateik reflected on the experience: “Walking the ramp as husband and wife wasn’t just about fashion, it was about love, partnership, and the journey we’re building hand in hand.” Priya echoed his sentiment, saying it felt like “love taking centre stage.”

Setting & Styling

The duo walked at a recent Fashion Week event, elegantly styled for the occasion. The show expectedly featured bold designer couture, but what made this walk stand out was the **chemistry and shared presence** of the couple.

Details such as hand-holding, exchanged smiles and collective poise turned the ramp into a visual narrative of their relationship.

Why It Resonates

- **Personal milestone:** For a couple newly married, this becoming their first public walking moment together underscores their unity both personally and professionally.
- **Blending fashion & relationship:** Rather than a solo style moment, the joint appearance underlines how modern celebrity style often integrates personal life and public image.
- **Visual storytelling:** Their walk showed that sometimes the emotion behind a style moment can elevate it beyond fabric and design.

Key Takeaways for Style & Relationships

- Wearing coordinated or complementary looks as a couple can **amplify presence** at joint appearances.
- The way you walk, pause and interact on the ramp (or stage) matters as much as the outfit itself.
- A fashion event can serve double duty: as a style statement *and* a relationship moment—use it wisely.
- Beyond the outfit, ensure your environment (backdrop, lighting, companions) supports the story you want to tell.
