

Pooja Hegde Delivers Travel Fashion Goals With ₹1.30 L YSL Bag

During a recent UK outing, Pooja Hegde offered a master class in relaxed yet refined travel fashion. She was photographed lounging in the sun, sporting a cosy dark-grey knit sweater paired with flared jeans in a “dirty-jeans” aesthetic complete with cargo pockets.

Her footwear choice? White sneakers — a smart move for combining comfort with style on the go.

The Star Accessory: YSL Bag

The highlight of the ensemble was her stylish sling bag — a burgundy Saint Laurent piece (mini Nolita bag) featuring the Cassandre YSL monogram flap and chevron-quilted stitching. Marks of a luxe accessory indeed. The bag is to cost around ₹1,30,400.

By carrying this standout bag, Pooja instantly elevated her otherwise laid-back outfit into a full-on travel-style moment.

Styling Details That Worked

- The **closed-neck knit sweater** adds minimal elegance, and in a neutral dark tone it serves as the perfect base for the luxe accessory to pop.
- Her flared cargo-jeans add a touch of “cool-girl” edge and a relaxed silhouette, juxtaposing nicely with the structured luxury of the bag.
- Minimal jewellery — a dainty silver chain with uneven hoop details — keeps focus on the outfit fabric and the bag, rather than over-accessorising.
- Her make-up-free look and loosely side-swept hair amplify the ease of the look; the styling demonstrates how to keep things grounded while carrying a high-end piece.
