Ananya Panday recently posted a set of sizzling beach selfies on her Instagram, showing off a look that's all about bold details and relaxed glamour. In the pictures, she's wearing a silver bikini top with a halter-knot at the neck and a plunging neckline.

She elevates the look with oversized sunglasses — slid slightly down her nose — giving off effortlessly cool vibes.

Accessory Game: The Cherry Neckpiece

What makes the outfit stand out is the statement neckpiece: a two-layered gold chain, one shorter choker-style and another longer chain, both adorned with tiny cherry charms and a golden pendant at the centre.

This playful detail adds a fun twist to a classic bikini look, making it more styled and intentional rather than just swimwear.

Beauty & Styling Details

Ananya's makeup is beach-perfect: radiant skin, lightly blushed cheekbones, defined brows, voluminous lashes, and a nude lipstick outline.

Her hair is parted in the middle and left loose — simple and free, complementing the relaxed beach setting.
