Nagu & Priyanka Reddy: Elevating Cosmetic Care with Vision

Published on 08 Nov 2025 | By IFI Correspondent

In 2022, Nagu Reddy co-founded Zennara Clinic in Hyderabad alongside Priyanka Reddy, aiming to bring globally acclaimed cosmetological treatments under one roof.

Backgrounds & Launch

Nagu previously launched a pop-up bazaar called Top Stitch in 2017 focused on women's wear and accessories. Priyanka holds a degree in engineering from CBIT (Hyderabad) and a diploma in financial strategy from Oxford — a unique mix for a clinic venture.

Clinic Vision

Zennara is built on the idea that advanced cosmetic care should be accessible, expert-led, and centered around patient well-being. The clinic spans a wide range of treatments, staffed by experts, and integrates aesthetics with wellness.

Why It Matters

In the Indian market, where cosmetic care is burgeoning but often fragmented, Reddy & Reddy's Zennara sets a new standard—combining rigorous expertise with a premium experience, and raising the bar for aesthetic wellness.
