

Reena Deorukhkar Brings Global Beauty Expertise to India

Published on 22 Nov 2025 | By IFI Correspondent

Reena Rajendra Deorukhkar, a globally trained beauty professional and founder of **Reena's Salon Spa Academy**, has been selected by **Reseal.in** for the **Maharashtra Fashion Icon Awards**, recognizing her outstanding contribution to the beauty, grooming, and professional training industry.

With a career shaped by international education and deep expertise, Reena has earned certifications and specialized training from some of the world's most respected beauty destinations. She is a **Switzerland-trained Cosmetologist**, a **Sri Lanka-certified Hair Designer**, and an accomplished **Makeup Artist trained in Dubai and London**. Her global exposure has enabled her to bring advanced beauty concepts, modern styling techniques, and international standards to the Indian beauty landscape.

At **Reena's Salon Spa Academy**, she seamlessly combines artistry and science, offering clients premium beauty solutions and students world-class professional training. Her academy has become a trusted hub for those seeking careers in beauty, cosmetology, makeup artistry, and advanced hair design. As an **International Trainer**, Reena has guided countless aspiring beauticians, helping them gain confidence, skill, and industry readiness.

Her expertise spans multiple domains, including high-end bridal makeup, fashion styling, cosmetology, hair design, spa services, and creative fashion work. She is also a **Fashion Designer**, adding a unique aesthetic vision to her beauty creations.

Reena's selection for the Maharashtra Fashion Icon Awards reflects her commitment to excellence, her leadership in beauty education, and her continuous effort to elevate beauty standards by blending global techniques with personalized artistry.

As she continues to innovate, inspire, and empower through her salon and academy, Reena Rajendra Deorukhkar stands as a powerful example of passion, talent, and international professionalism in India's beauty industry.
