In the inspiring town of Shirol, **Tanuja Husenbasha Nadaf** has emerged as a powerful force in the world of beauty, cosmetology, and women's empowerment. Through her successful venture, Tanuja Makeover & Cosmetology Academy, she has changed not only her own life but also the lives of numerous women who wished to become independent and skilled.

Tanuja always dreamt of carving out her own unique identity. While managing her home and family responsibilities, her heart longed to build a fulfilling career in the beauty industry. Lack of proper guidance initially pushed her into trying multiple fields between Class 10 and 12, but success didn't come easily.

Still, she didn't give up.

Despite doubts about fees, career scope, and the future, she bravely enrolled in a **Government Hair & Skin Care Course**, securing an outstanding **93.73%** and earning **1st Rank**.

This achievement strengthened her belief that she was meant for this field.

Determined to become more than just a basic beautician, Tanuja completed several advanced professional courses, including:

- Non-surgical cosmetology
- Skin aesthetics
- Permanent makeup
- Makeup artistry
- Hairdressing
- Hairstyling
- Mehendi artistry

This journey taught her a profound truth:

“Beauty does not just enhance appearance — it builds confidence.”

Tanuja worked as a trainer with Government ITI and Skill India, shaping the careers of many students.

With experience, passion, and a dream of building something of her own, she started **Tanuja Makeover & Cosmetology Academy** — in a single room but with a big vision:

“Capital can be small, but your vision must be big.”

Her academy today offers an impressive range of courses:

Along with beauty courses, she trains women in **extra income-generating skills**:

- Silk-thread jewelry & bangles
- Hair accessories
- Various small business crafts

She provides:

- Affordable 1-year, 3-month, 1-month & 15-day courses
- Printed notes
- Full practical support
- Practice products
- Certificates that help with jobs or business

Many of her students now run their own parlors, work in salons, or are successful makeup artists — making her immensely proud.

Balancing household responsibilities, children’s education, and her own career was not easy. Time management was her biggest challenge.

But with passion, discipline, and family support, she emerged stronger.

Today, she proudly stands as a **successful and respected entrepreneur**.

In the future, Tanuja aims to offer:
